

**Walter's Gadgets**  
***Spies in Disguise***

# Gadget: 50 Shades of Yay

Description: A technicolor smoke screen

# Gadget: Binder Bubbles

Description: A floating membrane used to contain and disperse explosions

# Gadget: Collide-oscope

Description: Temporarily disorients the vision of an aggressor

# Gadget: Inflatable Hug

Description: An inflatable personal protection device

# Gadget: Kitty Glitter

Description: A spectacle of projected kittens and glitter intended to raise serotonin levels and reduce aggression

**Note: Will have to check with legal if we can use this image of the cat for this purpose. (The cat is a licensed image for the film and there are some restrictions)**

# Gadget: Multi-Pen

Description: A multicolor pen where each color represents a different gadget.

Gadgets may include but are not limited to...

Green - Truth Serum

Pink - Serious String: A gooey binding substance that restrains an attacker without hurting them

Yellow - Propulsion Jetpack

Blue - Freeze-Ray

Purple - Goo-Ray: An electric pulse that temporarily rubberizes your anatomy

# Gadget: Scream Team

Description: A high frequency electromagnetic pulse that disables electronics

# Gadget: Security Blanket

Description: Wraps the attacker in a high thread count containment blanket, rendering them immobile

# Gadget: Walter's Watch

Description: Augmented reality supercomputer used for calculating and communicating in the field

# Gadget: Walter's Backpack

Description: Walter's backpack functions as a mobile lab

# Gadget: Bio Dynamic Concealment

Description: A serum created to resequence DNA at the molecular level to alter it from one anatomical form to another

# Gadget: Grappling Hook

Description: A device with claws and an attached cable used for grasping, swinging, and climbing

# **Additional Gadgets (mentioned in the film but not seen)**

**Location Tracker: A device that allows you to locate and follow a target from a distance**

**Prism Spray: A spray designed to bend prismatic light in order to conceal an object or agent**

**Splat-a-pult: A nonviolent goo launching device**

**Snorpedo: A small projectile that releases a gas that puts the aggressor to sleep**

**Hypno-star: Throwing discs that hypnotize the aggressor**

**Blamethrower: An aerosol spray that makes an aggressor realize their guilt**

**Lance's Gadgets**  
***Spies in Disguise***
